Copies 2 and 3 of the transcript were picked up and a copy has been
forwarded to OSI for correction.

25X1 4. [] Pursuant to instructions from the Director,
I called Carl Marcy, Staff Director, Senate Foreign Relations Committee,
and suggested 23 and 24 March as possible dates for the Director's briefing
of the Committee but I pointed out that the Director's schedule is very
unpredictable and I would not want either of these dates to be firmed up
completely without Marcy's first checking with us. He said he understood
and would be back in touch with us. 25X1A

25X1 5. [] Accompanied Carl Duckett and []
to a briefing of Senator Carl Curtis, new ranking minority member of the
Senate Aeronautical and Space Sciences Committee, on the Soviet and

Committee staff, were also present. Senator Curtis expressed his appreciation
for this full briefing and said he would probably follow up on Duckett's offer
to keep him up-to-date from time to time in the future.
